Sir:

Responsive to the Official Action of June 6, 2007, please amend this application as follows:

In The Specification:

On page 9, delete the second paragraph and replace it with the following paragraph:

--In the illustrated embodiment, the body of plate B is fabricated of a polymer material similar to that of the chair. It is designed to universally accommodate chairs of different heights and may be used to support any of the ~~embodiment~~ embodiments of the chairs herein disclosed. A typical plate would measure 4 ½ by 4 ½ inches and have a thickness of one-quarter inch.--
